Remarks

Welcome to paradise in lovely Highland Meadows! The moment you turn onto 108th, you'll see why this neighborhood is such a wonderful place to call home. This truly special residence was custom built and has never before been on the market. Pride of ownership shines throughout this one-owner home. Situated on a shy 1/3 acre lot, the property offers endless possibilities for hobbies, gardening, and outdoor living. There is abundant parking, including an oversized 3-car garage with an electric vehicle charger, plus potential RV or boat parking. The large covered deck features skylights and a built-in corner gas fireplace—perfect for relaxing or entertaining year-round. Located on a quiet cul-de-sac, the setting is peaceful and private. Inside, the open living and dining areas feature vaulted ceilings that create a bright and spacious feel. Two newer gas fireplaces with remote controls add warmth and ambiance to the living and family rooms. The kitchen, breakfast nook, and family room offer a comfortable great-room concept
